

Flush Mount Wedding Album

I will create multiple-image composite album pages from the pictures you select.

I will submit a sample album for your review and approval before ordering.

The price includes

- Photographs
- Album assembly
- Album with case and presentation box
- Imprinted or embossed cover
- Shipping to you

This album has the popular look of a flush mount.

The photograph is 1/16" from the edge of the page to protect the corner.
